CANANEA VICTORI

Douglas Ball Players Met Defeat in Big Copper Camp

Much Interest and Douglas Proved to Be a Good Loser

CANANEA, May 6.—That the days of miracles have not yet passed was clearly shown on the local ball field yesterday afternoon. Roland Wolfe, the classiest backstop out of organized harness, lined up a bunch of unseasoned coits and guided them through nine fast, exciting innings of real, steady ball playins. True, Douglas lost, but ther was as much glory in the creditable defeat as there would have been in victory under different circumstances. In the third innies Dugan drew a two bagger, Moehlenkamp popped out to short in a fruitless effort to sacrifice, Baroldy sent a swift single over second and the captain crossed the pan. Then sent a swift single over second and

Will Gambie shot a fast grounder into
the right garden and Barolity scored.
These are the only runs that Cananea should have had. The other two
tallies came in the seventh inning
when the good little right fielder let
Barolity's difficult single roll through
him to the fence. Thorne pitched
magnificent ball and if the Douglas

The fans here were a little bit surprised at the article of ball Wolfe's men put up, also perplexed at Denny Ford wearing the name of Wilson. Two scratch hits were sil that the Smelter City boys could gather, while cleven of them did what Casey, did when the Mudville fans went home in gloom. Baroldy at short eclipsed Reine in his palmiest mood, and Longhorn Maccy showed the onlockers that grandfather's clock is running yet. It was a real ball game, and amply guarantees a crowded

In Dresden I began to realize that the charm of Leipsic lay in the quaint ere of its old buildings, among which even trade had grown remantic, for the airlness of the many squares, in a village-tike flavor of homely intimacy caught amid the modern prose of a cammercial city.
